

Our Members Are Getting Cash Payments Every Single Day!

We're helping people all over the country get
cash sent straight to their mailbox—will YOU be next?

Dear Future Club Member,

Do you believe in kindness and loyalty? Imagine waking up to \$300, \$500 or even \$1,000 in your mailbox in just one day! It's happening right now to some of our members and it can happen for you too...

Our economy has never fully recovered from the recession: People are still losing their jobs, unemployment is high, gas prices keep rising; and the change in climate is affecting US agriculture so much that it's costing us more to feed our families. With Medicare and Social Security teetering in the balance, healthcare and medication costs are through the roof! There are literally thousands of people struggling each day trying to make ends meet.

WHAT ARE YOU DOING TO SECURE YOUR FINANCIAL FUTURE?

Whether you are working full-time, retired or simply looking for *a legitimate way* to make extra cash in your pajamas, you have received this letter because you're just like everyone else on our team: YOU need to protect your livelihood and make the kind of money you deserve. The great news is we're helping people all over the country get cash sent straight to their mailbox! If you would like us to help you do the same, we invite you to join our club.
