

If you can join our club this week, then you could start receiving cash and money orders in your mailbox starting next week...

No Phone Calls, No Selling, No Shipping Products

Dear Future Club Member,

You have received this letter because you have the same problem as 97% of everyone in America. Remember, you are not alone. Doctors, plumbers, stay-at-home moms, nurses, business owners, accountants, construction workers, drivers, students, retirees, hotel managers, teachers, and electricians all have this same problem.

"They don't have enough money..."

There has to be a better solution than working 40-60 hours per week to get paid less than you're worth. And you don't want to get sucked in to those MLM's, Business Opportunities or outright Scams that are trying to take your money for overpriced products and services.

So, if you're sick and tired of spending your hard-earned money trying to get ahead, but getting only further behind...we have a solution that will work for you.

Would you like to receive cash and money orders sent direct to you every day?

Members of our **America Cares Club (A.C.C.)** are receiving cash and money orders every day and you can participate in receiving money through our club too, by simply sending three gifts to our members of just \$20 each. Listen closely...

Once you become a member of our club you will be able to start receiving cash gifts of \$20 several times per day... and the best part is this money can come to you 100% daily and there's nothing you need to send them in return, because this is just a gift and we handle the rest for you.

But here's the best part...

Once you become an active member of our Club, the longer you stay, the more gifts you can receive. More and more of our new members can send you a gift of \$20 as our club continues to grow. So although you have only sent three simple gifts of \$20, you will be in line to receive hundreds or even thousands of \$20 gifts in the coming months and years to come.

How would this change your life?

Please, just for a moment, imagine...
