

The Cash Code!

A Different Zip Code Money System!

PLEASE take the time to read this *Entire Page*.
You Could Receive Cash From Every Zip Code Address in the U.S.A.

How Does "The Cash Code" Work?

The "Code" that we use is the US "Zip Code" that we all use when we mail letters. We are using only the first 5 digits of the Zip Code and the last number of the 5 digit zip code is the number we are concerned with. About 50% of all Zip Codes end in either an **even** or an **odd** number. If your Zip Code ends in even or odd number, it doesn't matter you still get paid. If your last number is **Even**, then you send the person in the "Even Box \$30" and if your Zip Code ends with an **Odd Number**, then you send the person in the "Odd Box \$30.00." The person in the **opposite box** will receive \$10 from you. You will be sending to each person in the two boxes below (\$30 or \$10).

The person that receives the \$10.00 will remain on the new members flyer and gets to ride along **For Free** on all of their mailings for a chance for even more cash (even or odd)! The person that receives the \$30 gets removed from the page. So, it doesn't matter which one is chosen, as all get paid from the program, as there is a 100% Chance you will get paid. So either way, **You Win!**

Plus, you receive our product, **90 New Leads** on peel & stick labels. A helpful hints guide and a report on how to mail to over 1,000 with an easy method to do this very thing! It's so Cool! You're gonna love it!

To join, send **\$30 (in cash) or A Postal Money Order** made out to the member with your **Zip Code** (even or Odd the last number only). Next send \$10 to the member in the opposite box, this can be in cash or a money order. The Administrator's Fee is Only \$10. All are one time fees. **Now is the Time To Act, Join Us TODAY!**

Please **Make 3 Copies** & send one to each member & the Monitor.
