## Do YOU want MORE out of Life?

**In a nutshell:** Right now is the best time in probably the history of America for us to start more seriously promoting our work from home programs and business opportunities, online and through regular mail because with literally MILLIONS of Americans, and people worldwide temporarily and maybe permanently losing their jobs it has created an opportunity market unlike we've ever seen in our lifetime!

As I type this letter many concerned and desperate people around the country have already started looking for additional income opportunities while waiting out the storm!
