

# **I will Buy Your JUNK MAIL!**

Dear Friend,

I am willing to buy your JUNK Mail on a weekly basis! I know you might be receiving junk mail from various mail order promoters every day.

I am willing to pay you 20 cents for each junk mail you receive that is less than 30 days old postmarked.

I am also willing to pay 10 cents for any junk mail that is over 30 but less than 90 days old. I am also willing to pay for the postage you spent sending the junk mail to me.

This is a great way to get rid of your junk mail and make some extra money too!

Please count your junk mail and send them to me as soon as you can. You should group them according to less than 30 days old and over 30 but less than 90 days!

Mail them to me for payment: J. OKAFO
