

**Turn \$100 (ONE-TIME) Into a *Lucrative, Residual*  
Flow of Cash! NO WORK, Computer or Internet Required.**

**Return this flyer** to the address below. Include **FIVE \$20 bills** or a mixture of \$20's, 10's, \$5's and \$1's that equal **\$100**. Checks are shredded and money orders are returned. **Conceal the cash flat (not folded) in dark paper and enclose in an envelope you cannot see through. Tape the seal of the envelope.**

Your ID will be assigned and you will receive your Startup Kit. **\$20** is forwarded as a gift to the four people in your *upline*, whose ID is in the Invitation Code below (\$80 total). The other \$20 covers the cost for **50 Invitation Packs** included with your Startup Kit. Each Invitation Pack comes with a #9 double-window, self-seal envelope and flyer imprinted with mailing lead. Your ID is printed in the first position of the code on the flyer (like this one). Just fold and insert your flyers, seal the envelopes, apply postage and drop in the mail. *That's all you need to do!* **NO NEED to make copies; purchase envelopes; order and apply mailing labels; or expose your name and address.** If you prefer to not do ANY WORK, add **\$30** to your enrollment (for postage and labor, **\$130 total**). We will mail your packs **FOR YOU!** To order additional packs YOU MAIL, add **\$20 per 50 packs**. To order additional packs you want mailed, add **\$50 per 50 packs**.

As those who receive your Invitation Packs enroll -- you receive **\$20 gifts** from EACH ENROLLMENT, *down to four levels of your downline!* Your gifts are forwarded to you weekly. With **ONLY 2** members enrolled *through each level* -- you could receive **\$600 in Cash Gifts!**  $2(\$20)+4(\$20)+8(\$20)+16(\$20)$ . To receive a *continual flow* of gifts, invest *as little as \$20 per month* (plus stamps) to order and mail Invitation Packs until you are receiving the amount of gifts you desire. You can **ONLY IMAGINE** your results if those in your downline, do the same.

**Examples:**

$$\begin{aligned}4(\$20) + 16(\$20) + 64(\$20) + 256(\$20) &= \$6,800.00 \\6(\$20) + 36(\$20) + 216(\$20) + 1,296(\$20) &= \$31,080.00 \\8(\$20) + 64(\$20) + 512(\$20) + 4,096(\$20) &= \$93,600.00 \\10(\$20) + 100(\$20) + 1000(\$20) + 10,000(\$20) &= \$222,200.00\end{aligned}$$

*The potential is staggering!* IT'S JUST THAT SIMPLE.
