

Greetings,

When I received information on **LiveGood** and watched the 5-minute video on the website it caught my attention immediately and reserved my FREE position to check it out closer.

- * High Quality Products
- * Very Affordable Membership & Products
- * Outstanding Compensation Plan
- * No Sponsoring Required
- * True Residual Income
- * User Friendly Back Office
- * A Global Business
- * No Forced Auto-Ship

....and much more. **LiveGood** is worth pursuing and promoting!

The reason most people cancel any type of auto-ship is that they cannot continue to pay the expensive monthly auto-ship cost. **LiveGood broke that mold.**

LiveGood is \$49.95 ONE-TIME to get started and only \$9.95 every month going forward. There is no forced auto-ship. You choose to purchase products as you need or want them.

There is no sponsoring required to get paid, but you'll probably want to share the information about **LiveGood**, anyway. Sharing with others is rewarded very nicely.

I've enclosed a flyer for more information. The best thing to do is go to my website www.LiveGoodTour.com/jimmccartney watch the 5 minute video and get your FREE position.

Please contact me with any questions. If you need to leave a message, I will reach out to you.

Thank you for taking a look!

* Just purchasing LiveGood products at retail, gives you a 40-50% savings over regular market products.

* Joining LiveGood (monthly membership of \$9.95) increases those savings 75-90%.

The \$9.95 monthly membership fee is well worth it!
