

# Tap Into 5.3 Billion Mobile Cell Users To Get Fast Cash

## Easy \$200 to \$1000 A Day Possible

**Make Only One 5 Minute Phone Call To A Special Service  
And You Can Get Paid In As Little As 24 HOURS**

The secret of my success consists of using an unconventional **3 STEP** method for bringing a quick cash infusion to a new home-business, then utilizing some of that cash to generate up to \$1000 - \$7000 every seven days using special services that does everything for you.

### **STEP 1: GETTING IMMEDIATE CASH WHEN YOU'RE ALMOST BROKE!**

This little known and misunderstood STEP 1 of my **Highlander's Power System** can give you the cash you need for any new home business in no time flat. I have utilized this technique for 15 years and it never has failed me. If I had only fifty lousy bucks and living in the middle of nowhere, this move would get me out of financial suicide. It requires no selling, it's easy, it's fun, and best of all it can be done from your kitchen table the same day that you receive your package. Many people are surprised to see how simple this is but are earning a full time income just by doing it.

### **STEP 2: The Power of SMS Mobile, Email and Fax Marketing Getting \$1000 to \$4000 within 7 days. NO COMPUTER OR FAX NEEDED!**

Once you receive your initial \$200 or \$800 from STEP 1, you can invest from \$50-\$200 into STEP 2 of the program. The rest you can keep or invest it into STEP 3.

The secret of STEP 2 consists of using SMS Text Messaging Services or Email/Fax Marketing Services. **MOBILE SMS Marketing is 5 times bigger than the Internet. 97% of SMS texts are read by it's mobile users within 3 minutes of receipt of the message.** In STEP 2 we use SMS plus other effective methods like PERMISSION BASED email broadcasting and/or fax broadcasting service; but not just any broadcasting service.

### **STEP 3: Getting Up To \$21,000 A Month Mailing A Few Letters...Using A WHOLE NEW TWIST!**

I am making a fortune by mailing only a few of my letters a week. How much you may ask? Well to be on the conservative side, I am getting an average of 1% to 3% order rate. In fact, I've never have received less than 1 %. I've even received as much as 5% order rate. My winning mailing program spits out more sales than an angry llama.

**HERE IS THE TWIST: If you follow my simple instructions, you will able to send as many letters as you would like to without paying a dime out of your own pocket. You've read correctly.**

You will be able to use part of the money that you've gained from STEP 1 and utilize it to do your mailings. But pay attention... **I will also show you how to get free supplies for your mailings. THIS LEVERAGE HAS TAKEN OUT ALL THE RISK OUT OF YOUR NEW MAIL-ORDER BUSINESS.**

**You will receive the same tools, contact names and phone numbers and step by step marketing instructions that I use to obtain the same fantastic results that I've been getting.** There is absolutely no way that you can fail. It's simply impossible! You'll never have to do any phone work, period. You'll never have to join another hocus pocus chain letter, gifting program, MLM or recruit a single person-period! Just follow instruction in an easy step by step fashion and then collect your money. And you will collect money...lots of money!
